ENDORSEMENTS

“I know how the members of the Samgha have been inspired by noble ideals in their efforts to educate our youth for the new world...I have full faith on your Samgha and am sure that under the Samgha’s guidance, our youth will be able to avoid the otherwise fateful encounter with nothingness.”

- *Dr. Radhabinod Pal*

“That a number of devoted workers have come forward to dedicate their lives for the uplift of their...brothers and sisters is indeed an encouraging sign. I hope and pray that the College...and the Anandanagar scheme may succeed in entirety and thus form the nucleus of a great movement of regeneration of our land.

- *Prof. Satyendranath Bose*

“I was very happy to...hear...about the aims and objectives of the institution that is being run under the inspiration of Shrii Anandamurti, who as a great...teacher has taken up on himself the work of bringing about a spiritual regeneration of the people as the fundamental thing for intellectual, cultural as well as economic progress...I can only wish the Samgha greatest success in the attainment of the mighty ideas it has place before itself.”

- *Prof. Suniti Kumar Chattopadhyay*

The Ananda Marga College was **established on 23rd July, 1966** with Arts and Sciences faculties by ERAWS, the education wing of Ananda Marga Pracaraka Samgha. That same year it was affiliated to the University of Burdwan (Bardhaman, West Bengal).

The college is situated far from the din and bustle of monotonous, mechanized city life. It is surrounded by ancient hills and a pair of rivulets. Anandanagar is congenial for developing health and strength. Above all it is superbly suitable for visionary education and spiritual awakening. Recently the College has a new campus in the area of Pundag Station.

Our education system aims at creating a vibrant and enriching atmosphere for flowering youth to make them good citizens, whether they become scientists, statesmen, philosophers or litterateurs. It empowers them with lofty morals, integrated character and a cosmic outlook so they can render valuable service to the human society. Our College has experienced and qualified lecturers.

Our curriculum emphasizes and insists upon high moral character building and development of not just their intellect but also of their intuition through spiritual meditation.

Keeping this vision before them, the Education, Relief & Welfare Section (ERAWS) of Ananda Marga has started numerous Primary schools all over India and around the world – from the Philippines to Romania, from the Americas to Africa. In addition it has started a number of High Schools in Anandanagar and surrounding areas as well as in Tripura.

Here in Anandanagar, it has started our Degree College. **The College is now affiliated to Sidho-Kanho-Birsha University, Purulia** and its academic session begin from the month of June every year. We have been providing primary and secondary education to more than 70 villages from the district of Purulia alone.

OUR MOTTO – ‘*Sá vidyá yá vimuktaye*’

[That is knowledge which leads to complete liberation].

OUR VISION - *Vidyá dadáti vinayam vinayádyáti pátratám
Pátratát sevamáptoti seváddharma tato mokśam.*

[True knowledge leads to humility;

Humility causes one to be established in the glory of humanity;

From this Humanity comes dedicated service;

Through service comes establishment in Dharma;

From That (Dharma) comes salvation.]
